NINE HOLE GOLF GROUP

The Ladies Nine Hole Golf group welcomes any member, at any time, who wants to play a shorter and less competitive game. New members enjoy playing with the Nine Holers to establish their handicaps and become acquainted with Sankaty and its members.

The Nine Holers will follow the 18 Hole Ladies Golf group on most Tuesdays. Tee times will be at approximately 9:30 a.m.

Golfers interested in playing with the Nine Hole group should contact the Golf Shop, 508-257-6655, on Monday to check if there is a Nine Hole event for that week and for details on the starting times. Members of the Nine Hole group are also invited to the June and August luncheons.

Pace of Play

It is expected that a round of golf at Sankaty Head Golf Club will be played in 4 hours or less. Therefore, please pick up your ball if it will not count in team play or if you have reached your maximum number allowable under Equitable Stroke Control. The golf shop will advise you on any events where there is an exception and ball must be holed.

Equitable Stroke Control

Course Handicap	Maximum on Any Hole
9 or less	Double Bogey
10 Through 19	7
20 through 29	8
30 through 39	9

Tournaments

Sankaty Head Golf Club has a 9 stroke differential policy in place for all Member Guest Tournaments. If the two partners are farther apart, the higher handicapper will have her handicap reduced to that of her partner plus 9.

2019 INVITATIONALS

Miacomet/Nantucket/Sankaty Head

Invitational will be on Wednesday, September 4, at Miacomet.

Hyannisport Challenge

Sankaty Head will play Hyannisport Golf Club in better ball of the pair on Tuesday, September 10, at Sankaty Head Golf Club.

RINGER AND CHIP-IN TOURNAMENT

JULY AND AUGUST

The Ringer and Chip-In Tournaments run from Opening Day in June until just before the Closing Luncheon in August. Ringer prizes are awarded in three handicap categories and chip-in winners are eligible for separate prizes. The fee to participate in these tournaments is \$25 for the entire season.

A Ringer Tournament participant strives to lower her score for each individual hole played on Tuesdays or in other sanctioned Ladies 18-hole golf events such as the Member-Guest, the Member-Member and the Club Championship. The final ringer score will be a composite of her best gross scores from each hole and posted in those events to create an optimal 18-hole score.

To enter a player records one full round on her ringer page. There must be a valid entry for all 18 holes. From then on, scores can be updated, hole by hole, with each subsequent round played on Tuesdays or other sanctioned Ladies golf events. Chip-ins are recorded at the same time.

To be eligible, entries must come from one full 18-hole round, played by USGA rules and posted on the GHIN system. Scores from partial rounds or non-sanctioned Ladies 18-hole golf events may not be used as ringer scores. This applies to recording chip-ins as well.
